## French Legionnaire Perrott White Alfred Caxton Printers

*ith the first army in germany when the t-5 - mon legionnaire - perrott-white refused to fight against the americans after the crow incident. the battery commander, who was an old friend of perrott-white's, then turned his staff car over to the ser geant, and perrott-white used it as a red cross ambulance for the three days of the battle. he drove out into the middle of the fighting to pick*
